St. Francis Institute of Management & Research (SFIMAR) was established in 2002 by "The Society of the Congregation of Franciscan Brothers" to impart quality education in the field of Business Management. The society comes with 125 years of uninterrupted legacy of commitment and service especially in the domain of education and care.

SFIMAR is recognized by the All-India Council for Technical Education (AICTE), New Delhi and a permanent affiliate of the University of Mumbai, proudly holding Grade 'A+' accreditation from the National Assessment and Accreditation Council (NAAC) and further bolstered by the esteemed accreditation from the National Board of Accreditation (NBA), recognizing its outstanding academic standards. Our institution is also recognized under Section 2 (f) & 12 (B) of the UGC Act 1956 and is ISO 9001:2015 certified by an acclaimed global agency establishing its journey towards becoming a premier management institute in India.

Academic Excellence

SFIMAR has been granted Academic Autonomy by the University Grants Commission (UGC), enabling us to design and deliver innovative curricula, assessments, and evaluation methods. This autonomy allows us to foster a dynamic learning environment, focusing on interdisciplinary research, industry collaborations, and holistic student development.

Infrastructure and Faculty

Our state-of-the-art campus features Smart Board enabled air-conditioned classrooms, computer labs, conference halls, libraries, and other amenities. Our core team of experienced and qualified faculty members deliver exceptional education, supplemented by industry experts and eminent speakers who provide practical insights.

Beyond Curriculum

SFIMAR prioritizes overall student development through:

Personality Development Programmes
Student engagement programs, events and activities

Additional certification programmes in:

- Alternative Investment Industry
- Project Management
- National Institute for Securities Markets (NISM) Programmes
- CIIMA
- Digital Marketing

Placement Excellence

Our dedicated Placement Department boasts an impressive track record of almost 100% placement for several years, ensuring our students secure rewarding career opportunities.

SPOTLIGHTS

Message From Chairman

Bro. Alphonse Nesamony - Chairman

It gives me immense joy to address you this year as St. Francis Institute of Management and Research (SFIMAR) celebrates a truly special milestone — our Silver Jubilee, the 25th year since inception. A journey of twenty-five years of academic excellence, values-based education, and service to society calls for both celebration and renewed commitment to the vision with which this Institute was founded.

This landmark year comes close on the heels of another defining achievement — Autonomous Status granted to SFIMAR by the University Grants Commission and the University of Mumbai from the academic year 2024–2025, for a period of ten years. As we step into the third year of this autonomous journey, it empowers us to design our own curriculum and examination system, aligning closely with industry requirements and the evolving career paths of our students.

Our batch of 2025–2027 management professionals will graduate from an Autonomous Institute that holds NAACA+ accreditation, with our MMS/MBA programme NBA accredited. This autonomy allows us to make our curriculum more industry-relevant — integrating the latest advancements in pedagogy and technology, and introducing specialised certificate courses and NPTEL programmes for emerging fields — ensuring our graduates remain competitive in the global job market despite a disruptive trade-related ecosystem.

The two-year pursuit of the MMS and PGDM programmes at SFIMAR reflects the transformation of young minds into exemplary citizens, contributing to personal growth and service to society and the nation, in line with our vision of a Developed Nation — Viksit Bharat by 2047. Our faculty, alumni, and Training & Placement department continue collaborating with industry and academia on research, curriculum revision, and student mentoring. Our Placement Cell further strengthens Institute–Industry ties, engaging with top officials across sectors with our students' career growth at heart.

In this Silver Jubilee year, our plan and strategy at SFIMAR remain, at their heart, about people — our students, faculty, staff, alumni, parents, academic and industry partners, and all our stakeholders. It is about nurturing an environment where knowledge is pursued with integrity, innovation is guided by compassion, and leadership is defined by both competence and a spirit of service.

On this note, we — the Management, Students, Parents, Faculty/Staff, and Training and Placement professionals of SFIMAR — extend our heartfelt gratitude to you for recruiting our students in your respective Industries, Start-ups, Businesses, and B-Schools. As we mark twenty-five years of this journey, we look forward to many more years of partnership and growth.

May God bless you in all your endeavours!

Thank You!

Mr. Sylvester D'Mello, Chief Placement Officer

It gives me immense pleasure to welcome you to the Annual Placement Brochure of St. Francis Institute of Management And Research (SFIMAR) and to present our talented pool of MMS and PGDM students.

As I take on the responsibility of Chief Placement Officer for the second year now, I am happy to share the journey we have undertaken to further strengthen our students' preparation for the corporate world. At SFIMAR, we believe that management education is not only about academic excellence, but also about preparing young professionals for the realities and expectations of the workplace. Our focus, therefore, is increasingly on making our students "Corporate Ready"—equipping them with the confidence, skills, adaptability and professional outlook needed to make a meaningful contribution from the very beginning of their careers.

As part of this endeavour, we have introduced LineupX, an AI-enabled platform that enables our students to prepare more effectively for interviews and recruitment processes. It provides them with an opportunity to practise, learn and improve their interview readiness. The platform also brings opportunities closer to our students through a dedicated Job Board, where job postings from multiple companies and job sites are made directly available to them. We see this as an important step towards creating a more connected and accessible interface between our students and the corporate world.

Another key focus this year is to broaden our industry engagement. Along with our regular industry partners, we are reaching out more actively to the new and burgeoning sectors that are creating exciting opportunities for management graduates, including Shipping & Logistics, SaaS, Last-Mile Delivery, and other emerging and rapidly evolving industries. We believe that exposure to these industries will open new avenues for our students while enabling organisations to benefit from fresh talent, ideas and perspectives.

What makes our placement journey truly rewarding is the opportunity to see our students grow—from entering the institute with aspirations to leaving with the confidence and readiness to take on professional challenges. We remain committed to supporting them at every stage of this journey and, equally importantly, to building meaningful and lasting relationships with our corporate partners.

I would like to sincerely thank all our recruiting partners for the trust, encouragement and continued association that you have extended to SFIMAR. Your support is instrumental in helping our students take their first steps towards fulfilling careers. We look forward to welcoming our longstanding recruiters as well as new organisations to SFIMAR. As always, we seek your continued support and partnership in providing meaningful career opportunities and placing our MMS and PGDM students.

I look forward to another successful placement season and to strengthening our association with each of you.

Pedagogy Our Approach Towards Learning

At SFIMAR, our pedagogy blends traditional values with modern educational strategies to ensure holistic student development. Our learning environment is designed to prepare students for real-world challenges through a balanced mix of academic rigor, practical exposure, skill enhancement, and personalized guidance.

Mr. Allwyn Arokiadas
Senior Vice President
Asia Product Owner & Program
Project Management Leader
Morgan Stanley

"Being part of the 1st batch of SFIMAR was a defining chapter of my journey. The institute gave me more than academic knowledge - it gave me the confidence to think differently, embrace challenges and continuously learn. It is truly special to return as an alumnus and give back by sharing my experiences, mentoring students and helping the next generation navigate their careers. If my journey can inspire even one student, it is my way of giving back to an institution that gave me so much."

Mr. Amit Shinde
Chief Manager - Surveillance Dept.
National Stock Exchange of India Ltd.

We are the privileged first MMS batch of 2002-04 who set the genesis at SFIMAR. The experience was life changing. Best wishes to SFIMAR.

Mr. Anoop P Jose
Sales Manager
Canon India Pvt Ltd

SFIMAR gave me more than just academic knowledge - it instilled confidence, discipline, and a strong sense of purpose. The supportive faculty and practical learning environment helped me sharpen my skills and broaden my perspective. Those formative years shaped my career journey by teaching me resilience, adaptability, and the importance of continuous growth, values that continue to guide me in every professional step I take.

Ms. Bhavini Paleja
Strategy & Growth Leader,
Deloitte UK

Being part of SFIMAR's first-ever MMS batch meant there was no blueprint, we helped shape the culture, traditions and identity of a new institution. Looking back, I realize that experience instilled a mindset that has stayed with me throughout my career: embracing ambiguity, building from scratch and turning ideas into reality. From leading strategic transformation programmes to building my own businesses, that pioneering spirit began at SFIMAR and has remained a constant throughout my career. Proud to have been part of its founding legacy.

Mr. Saurabh Oak
Vice President
JPMorgan Chase & Co

As SFIMAR celebrates 25 remarkable years, I look back with immense gratitude at the role it has played in shaping my career journey. SFIMAR gave me much more than a management education; it built my confidence, strengthened my ability to collaborate, and gifted me friendships that endure to this day.

Today, serving as Joint Secretary of the SFIMAR Alumni Association (SAA), I have the privilege of giving back to my alma mater by engaging with both past and present batches. It is deeply fulfilling to help strengthen the bridge connecting our alumni, students, and the institution, while contributing to its continued growth and excellence.

I am proud to be part of the SFIMAR family and its 25-year journey of transformation. Wishing SFIMAR many more milestones ahead!

Mr. Abhijit Khatav
Director - Advertising &
Brand Partnerships
Vendman Pvt. Ltd.

"SFIMAR has been an important chapter in my professional journey. Beyond management education, the institute gave me the confidence to think strategically, communicate effectively and approach challenges with a business-oriented mindset. The learning, friendships and exposure I received during my time at SFIMAR continue to influence me even today. As the institute celebrates its Silver Jubilee, I feel proud to be part of its alumni community as well as the committee and wish SFIMAR many more years of inspiring future leaders."

Mr. Hardik Shah
Business Growth and Marketing Advisor
Business Karma Marketing Pvt. Ltd.

My years at SFIMAR came at an important stage in my professional journey, when I was learning to look beyond sales execution and understand businesses more holistically. The exposure to management thinking, diverse peers and practical perspectives helped shape my approach to marketing, entrepreneurship and advisory work. Many of those lessons continue to influence how I evaluate opportunities, solve problems and build relationships today.

Mr. Sagar Blyani
Asst Vice President &
Head - FP&A
Inventia Healthcare Ltd.

SFIMAR provided the perfect platform to start my professional journey. It helped build a strong foundation for me to walk this path and successfully develop my career."

LEARNING, LIVING AND LEADING....

SFIMAR has a well-defined 'Student Skill Development Program (SSDP)' and Certifications for students of MMS & PGDM to enhance their skill set as per the industry requirement and thus making them more adaptable to meet the unforeseen challenges productively.

The Career Management Centre (CMC) is the Training, Placement & Industrial liaison unit within SFIMAR. We act as a Key Point of Contact (KPOC) between our highly diverse talent pool of students, alumni, and prospective employers. Our dedicated team ensures that the entire cycle of activity is seamless, and optimised so that we truly collaborate with the requisites of our industry partners. The process is designed to reflect the industry methodologies of campus hiring.

The scope of partnership of the CMC with our industry partners could be enlisted as, but not limited to:

- ♦ **Level 1 Shortlist basis interests/ preferences of management graduates:** Ensures that the graduates are briefed on the requisites of the company, and the preferences are matched for.
- ♦ **Sharing of structured student resumes** - Ensures that the document submitted provides adequate information appropriately, technically compatible for the employers' database/systems and ease of navigation.
- ♦ **Interview coordination and communication** - Ensures that a major workload of the process is appropriately shared between the employer resources and SFIMAR.
- ♦ **Tailored datasheets** - Ensures the quick availability of data, in the requisite format.
- ♦ **Process facilitation** - Ensures the seamless flow of the recruitment process, tailored according to the recruiter.
- ♦ **Infrastructure and resources support for In-Campus, Off-campus, and Online events** - SFIMAR state-of-the-art infrastructure can be advantageous and can assist the recruitment process for initial filters, PIs, tests etc.
- ♦ **Corporate Onboarding** - Ensures the recruiter and the job role is adequately positioned to the aspirants before the actual recruitment cycle; employee brand building collaterals are shared, and if the need be, a group meeting arranged online/offline for better delivery.
- ♦ **Compliance management** - ensures that the regulatory, governance mandates of both the recruiter and SFIMAR are adhered to.

Why SFIMAR Management Graduates?

- ♦ Diverse pool of talented graduates
- ♦ 5 management specialisations (Finance, Marketing, HR, Operations, & IT) to choose from
- ♦ Extensive Student Skill Development Programs
- ♦ Select list of tailored sessions in addition to curricular delivery
- ♦ Emphasis on experiential learning
- ♦ Exposure to Student driven co-curricular programs.
- ♦ Technical capability building
- ♦ Value driven approach to work & personal disposition allowing the right mix of aptitude and attitude.
- ♦ Excellent pool of academia
- ♦ More than 2 decades of track record delivery managing graduates to the industry.
- ♦ 125 years of legacy imparting education to the society

We would be glad to host your team/designate to discuss further about the campus recruitment schedules, summer internship and final placement processes, and specific requirements.

Please feel free to connect with CMC team at placements@sfimar.org
