

MMS is a comprehensive Post-Graduate Degree Programme that aims to develop students into innovative thinkers and successful managers. It refines their skills to meet the requirements of the Industry.

The course structure provides a perfect combination of conceptual framework and practical insights to tackle business challenges. This programme is conducted on a semester-wise with four semesters spread over two academic years. In the second year, the students have the choice of five specialization areas, namely, Finance, Marketing, HR, Operations and IT.

Program Educational Objective (PEO) Statements

1. To impart knowledge of basic and advanced concepts of Business Management and application of their tools and techniques for local and global business practices.
2. To equip the students with techno-managerial skills and entrepreneurial skills to progress as business leaders and entrepreneurs.
3. To instill students on socially acceptable values and business ethics for developing responsible citizens.
